

SISHMUN 2019

On the 2nd, 3rd and the 4th of October, students from classes 8, 9 and 10 participated in the SISHMUN 2019, conducted by sishya school, adyar. The students were allotted with the delegation of USA, which was a very arduous yet enthralling task. Shreyas of class 10 B made our school proud by bagging the High Commendation award and the award for the best Foreign Policy Statement as well. It was a remarkable experience for all the student delegates which provided them a platform to exhibit their research, debating and diplomatic skills apart from imparting knowledge of the world affairs.
