

YOUNG ENTREPRENEURS CONCLAVE

On the 29th of November, 2019, 50 students belonging to classes 11 A, B, C and 12 D attended a Young Entrepreneurs Conclave held at Bala Vidya Mandir, Adyar.

It was an interactive and exciting session on entrepreneurial learning.

The chief guest was Mr. Gowtham Bharadwaj, a playback singer and chartered accountant, who talked about his unusual career path and delivered a soulful rendition of the song 'Maithreem Bhajatha'. His talk was followed by an address from Mr. Chetan Korada, the guest of honor who is a differently abled car racer. He gave a very inspirational talk on the various jobs and opportunities he had done throughout his life. This was followed by talks by various young entrepreneurs from different fields who shared their life stories and gave us pointers on how to plan, execute plans and ultimately achieve our goals.

All the sessions were very informative and filled our brains with food for thought.

The event ended with a quiz conducted by Mr. Mahesh.

Nithya Subramaniam of 11 C answered a couple of questions and won prizes.

We are grateful to Bala Vidya Mandir and our school for this wonderful opportunity.
