

## Teacher Training Workshop

Shaastra Up skill and Teaching-Learning Centre (TLC) IIT Madras, conducted a \*Teacher Training Workshop\* to help teachers familiarize themselves with the various online tools and to maximize the efficiency of online classes. The two day online workshop for educators was conducted by an esteemed panel of professors of IITM on the 19th and 20th of September 2020. The workshop was streamed live on YouTube. Our teachers Mrs. Geeta Sukumar and Mrs. Indu. K. M were part of the Panel. The topics presented by them were Content Preparation, Content Delivery and Assessment
