

WORLD ENVIRONMENT DAY

“The Earth does not belong to us, we belong to the Earth”

June 5th, 2021

Our school celebrated World Environment Day virtually on Saturday based on the theme – **Restoration**.

Mrs. Supraja Dharini, the founder of “**Tree Foundation**” was the Chief Guest. She insisted on the importance of protecting the environment and also encouraged the students to indulge in eco-friendly activities in her speech. To mark the occasion, students tied Rakhi around the plants and swore to protect them. Some even planted saplings in their neighbourhood. The event included various activities such as speech in English and Tamil, mono acting (An autobiography of a Tree), singing, poster making, poetry recitation, demonstration on seed ball making, emphasizing the importance of conserving our environment by growing trees.

The students, parents, and teachers watched the live streaming of the program on the Vana Vani YouTube channel.
