A SAPLING PLANTATION DRIVE

“TODAY SOMEONE IS SITTING IN A SHADE BECAUSE
SOMEONE PLANTED A TREE A LONG TIME AGO”

-WARREN BUFFET

Vana Vani Matriculation Higher Secondary School and Dept. of Horticulture, IIT Madras organized a sapling plantation program named “Trees are the members of our family” on Monday 27th of September, 2021 at 12.05 pm in Vana Vani School Campus. Nearly 85 students of class XII and all our staff members participated in this mission.

Our chairman Professor S. P. Dhanavel and Secretary Shri P. Sarvaharna initiated the function by planting the trees respectively. We planted 60 trees in total on the school campus. Each tree will be taken care by a team of two students and staff. The main motto of this program is to make the arena greener and pleasant. It is also in some form a step to check global warming.

We are grateful to Mr. Srinivasan, EE of Horticulture Department, IIT Madras, and their team for donating free saplings and helping us in this green drive. We are honoured to be a part of this green drive which draws inspiration from our honorary former President Dr. A.P. J. Abdul Kalam and feel a sense of satisfaction that we have done our bit for the environment.
