4th October 2021 WORLD ANIMAL DAY

The world animal day was observed on 4th October 2021 virtually on an offline mode by the students of Middle School to celebrate the existence of animal life in all forms and the bond that humans share with them. Students shared their experiences through short videos comprising of speech, talk, and bonding with their pets. They expressed their concern for the endangered species of animals.

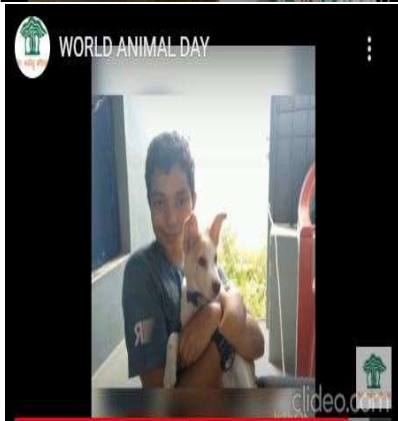

Students of grade VIII shared their video highlighting the importance of the protection and conservation of animals to balance the Ecosystem.

VI and VII graders reflected their love for animals by sharing videos of their pets on the topic- ME AND MY PET DURING LOCKDOWN. The virtual audience were amazed to see the bonding of students and their pets.

A short film on Endangered animals was screened which gave an insight into the threats faced by the animals due to urbanization. Students could empathize with the plight of endangered animals and showed eagerness to help them out.

Overall the program was a great learning experience, and students understood the concept of LIVE AND LET LIVE with their coexisting organisms on this Earth.

The audience watched the program that reflected deep connection between humans and animals through Vana Vani YouTube channel.
