

15th October 2021

WORLD STUDENTS' DAY

Vana Vani Matriculation Higher Secondary School celebrated World Students' Day on 15th October 2021 virtually to commemorate the birth anniversary of the 11th President of India, Dr. V. Avul Pakir Jainulabdeen Abdul Kalam.

We remember Dr. APJ Abdul Kalam, the recipient of the Bharat Ratna as the People's President, Missile Man of India, and a great teacher who had unconditional love for students. He stands as a torch bearer who has instilled courage in youngsters to achieve extra ordinary things in life despite adverse circumstances.

Children of Primary and Middle School reciprocated their love and respect for him in the form of a programme showcasing their talents.

They came forward in good numbers and participated enthusiastically in various programmes. Students of Primary Section dressed like Dr APJ Kalam, declaimed his quotes and recited poems praising him. Students of Middle School drew his sketch, delivered a speech in Hindi, conducted a virtual role play interview with him, and narrated anecdotes from his life during the conversation.

It was a satisfying moment as there is so much to learn from Dr. APJ Kalam's life. Students, parents, and teachers watched the uploaded video on Vana Vani YouTube Channel.
