

NEWS LETTER - MARCH - 2023
ISSUE - 10

February 28, 2023 – March 1, 2023

**NATIONAL SCIENCE DAY CELEBRATIONS 2023
BY ANNA UNIVERSITY ALONG WITH TAMIL
NADU STATE COUNCIL FOR SCIENCE AND
TECHNOLOGY.**

National Science Day Celebrations 2023 was organised by Anna University along with Tamil Nadu State Council for Science and Technology. (28.02.2023 & 1.03.2023). Students from Std VI to IX participated enthusiastically in all the events, workshops and exhibitions. All participants received a certificate. Winners were given an award and a certificate. Students of IX std also sang a 'Plastic Use Awareness' song on Valedictory Day which was well appreciated. It was an enriching learning experience for the students and teachers.

The event's purpose was to raise awareness about the dangers of cancer and educate students about ways to prevent it.

The chief guest was an alumnus of our school, Dr. Venkatesh Sivanandam. He did his B.S. in biotechnology at Bharathidasan University, India, and completed his Ph.D. in genetics, genomics, and bioinformatics at the

University of California, Riverside. He has a keen knowledge of viral genome replication and packaging, viral-host interaction, virus-tumor immunology, and viral-gene editing.

He recalled his school days and then spoke about virology which can be used in gene therapy to introduce new genes into cancer cells or to modify existing ones to improve treatment outcomes.

The event ended with a Q&A session, where students were encouraged to ask questions about cancer and its prevention. The alumnus answered all the questions and cleared any doubts the students had.

It was a very informative and enlightening event that helped in raising awareness about cancer

March 01, 2023

CANCER AWARENESS PROGRAM BY DR. VENKATESH SIVANANDAM

On the 1st of March, our school organized a Cancer Awareness Program in the school auditorium.

March 02, 2023

WORKSHOP ON EMOTIONAL INTELLIGENCE FOR TEACHERS

Mrs. V. Sasikala, the Section Head of High and Higher Secondary section, attended a workshop on Emotional Intelligence for Teachers on 2nd, March 2023. Mrs. Thulasi Manoharan, CEO of Giant Leap, Heal Your Life Teacher, CBT EI & NLP Practitioner, Grief & Student Counselor was the speaker. She briefed the group on eliciting positive responses from the students and how to approach the students and solve the day-to-day challenges that teachers face. The seminar was organized by the Extension Services Department of Meston College of Education, Royapettah.

WORKSHOP ON 'THE UNIVERSE: ITS BEGINNING AND END'

On the 2nd of March, a team of students from class IX attended a seminar at IITM Research Park. The Vice-Chancellor and President of Australian University, Brian P Schmidt, conducted the workshop on the topic - 'The Universe: Its Beginning and End.' The children learned a lot about the universe and the Physics laws behind the Big Bang theory. They also gained knowledge of Einstein's famous theories and equations. The whole session was very informative and interesting.

NATIONAL SCIENCE DAY – VAN VIGYAN

VANA VANI MATRICULATION HIGHER SECONDARY SCHOOL
IITM CAMPUS, CHENNAI-36.
(Managed by IIT Madras Educational Trust)

Students of classes LKG - IX
welcome you to
VAN VIGYAN '23.
(A Science Project Display)

Our Chairman
Prof. S.P. DHANAVEL
(Dept. of Humanities & Social Sciences, IIT Madras)
will inaugurate the Expo
on Saturday, 4th March 2023
@ 8.45 a.m.
Visitors' Timings: 9.00 a.m - 12.30 p.m.
Venue: Respective Classrooms

CLASS /SEC	TOPIC	CLASS /SEC	TOPIC

21	AMAZING WORLD OF SCIENCE		

On March 4, 2023, our school celebrated National Science Day by organizing VAN VIGYAN '23.

The theme of National Science Day 2023 is 'Global Science for Global Well-being'. It aimed to promote interest in and understanding of science and technology among students.

Our Secretary-Cum-Treasurer

Shri. Raman Kumar inaugurated the function and encouraged the students for their participation.

It featured a variety of exhibits, including working models, charts, and experiments related to different fields of science such as physics, chemistry, biology, and robotics. The students worked hard to prepare their exhibits, which showcased their creativity and knowledge of scientific concepts. Some of the notable exhibits included a working model of a wind turbine, which demonstrated the conversion of wind energy into electrical energy, a chart on the solar system, which showcased the planets and their features, and a biology experiment on the effects of different fertilizers on plant growth.

The students also conducted live experiments like a volcano eruption, colour-changing chemistry experiments, etc.

The exhibition was well-attended by students, teachers, and parents, who were impressed by the quality and diversity of the exhibits. The students also got the opportunity to interact with the visitors and explain the scientific concepts behind their exhibits.

The exhibits were judged by a panel of teachers based on their creativity, scientific merit, and presentation skills.

Winners of National Science Day

CLASS	WINNER
I	I B
II	II C
III	III B
IV	IV A
V	V A
VI	VI A
VII	VII B
VIII	VIII A
IX	IX B

March 04, 2023

NATIONAL SCIENCE DAY – VAN VIGYAN NURSERY SECTION

Nursery children participated with great enthusiasm for the Van Vigyan held on 4th March 2023. The projects taken up were:

LKG – A: A walk through the jungle

LKG – B: Fruit/Veggies Power

LKG – C: Let's get moving

UKG – A: My body, my sanctuary

UKG – B: Creative minds at work

UKG – C: Better nature, better life

Children are always excited to learn about animals, their young ones, where they live, what they eat. Kids made models of Wild animals, Farm animals, their homes, young ones, etc. The benefits of eating fruit and vegetables were explained through charts and models. For transport, various modes of transport were displayed, the highlight being eco-friendly vehicles.

Models of various parts of our body and their functions were well explained by the children. Children made working models and explained the inventions which are useful to mankind. Children made models of the glory of nature and talked about measures to protect mother earth.

Overall, it was a huge success and contributed to fostering a love for science among the students. The event was a reminder of the importance of science in our lives and the need to continue promoting scientific education and research.

March 06, 2023,

VANA VANI(NSS) VALEDICTORY FUNCTION

The Valedictory function was held in our school's primary auditorium on 06.03.2023 (Monday). The program started with a prayer song and was followed by the NSS song. The chief guest of the day was Mr.Mohammad Siddiq. A PowerPoint

presentation on how and what the girls did throughout the year, including volunteering in every event the school had organised, was showcased. A beautiful speech was given by Mr.Siddiq. He narrated various real-life stories with examples that were amazing. Our principal and vice principal also spoke and that was informative. The program ended by giving prize money to the girls who took part in the republic day parade.

March 10, 2023

FAREWELL TO MR. DAVID AND MISS JORDAN

On 10th March, Vana Vani bid farewell to two of its beloved teachers, Mr. David and Miss Jordan, who are

moving on to new ventures. The farewell ceremony was held in the school auditorium and attended by the Principal, Vice Principal, teachers, and staff members.

They have been an integral part of our French and English departments, and we are going to miss them dearly.

Mr. David has been with the school for the past 10 years, and during this time, he has not only taught French to children but has also been a mentor and a friend to many of his colleagues.

Miss Jordan, our assistant English teacher, has also been a great asset to the English department. Her enthusiasm for teaching and her ability to connect with students has made her a favorite among many of us.

We wish them all the best in their future endeavors and hope that they will remember us fondly.

March 10, 2023

WATER DAY QUIZ

Water is its mater and matrix, mother and medium.

On the occasion of the World water day celebration, our school conducted various events to create awareness on the importance and value of water. As a part of this event, a quiz on the water was organized on 10-3-'23 for classes VIII and IX. Ms. Shruthi Kamalahaasan, a former student, belonging to 2019 conducted the Quiz that was enjoyed by the students.

Ms. Shruthi Kamalahaasan, a former student, belonging to 2019 conducted the Quiz that was enjoyed by the students.

NATIONAL CONFERENCE ON "LEVERAGING RESEARCH, INNOVATION AND DIGITAL LEARNING TECHNOLOGIES FOR BETTER EDUCATIONAL INCLUSION"

Our Principal Mr. Satish Kumar M participated in the National Conference on "Leveraging Research, Innovation and Digital Learning Technologies for better Educational Inclusion" held on Friday, the 24th March, 2023 at Hotel TAJ CONNEMARA, Chennai. This was organized by the Education Promotion Society of India and the keynote address was given by Prof. (Dr.) T G Sitharam, Chairman, All India Council for Technical Education, New Delhi. Panel discussions were also held at the national level conference as follows:

PLENARY SESSION-I: PANEL DISCUSSION: "How Digital Learning Technologies can expand opportunities in Higher Education?"

PLENARY SESSION-II: PANEL DISCUSSION: "How to accelerate

Innovations in Teaching & Learning"

INTERACTIVE SESSION: Interactive Session with Prof. (Dr.) T G Sitharam Chairman, All India Council for Technical Education.

March 28, 2023 – March 30, 2023

WORKSHOP ON MINDFULNESS-BASED STRESS REDUCTION AND GRATITUDE INTERVENTION

Harini S, an alumna of our school who has completed M.Sc Psychology at the University of Madras conducted a three-day workshop on mindfulness-based stress reduction and gratitude intervention from 28th to 30th March. On the first day, she spoke about psychotherapy for burn-out, techno-stress, and personality traits among school

teachers, and facilitated activities related to mindfulness, such as meditation and writing down three good things. The second day included a walking meditation and a session on multidimensional awareness, followed by learning how to use the 'Pleasant Moments' Calendar and practicing gratitude by noting down three good things. The workshop concluded on the third day with a Raisin Eating meditation and a discussion on different types of stress and strategies to manage them.

March 28, 2023

WORLD WATER DAY

Accelerating Change – Be the change you want to see in the World

On World Water Day, we commit to conserving water and urge people to acknowledge the country's water sanitation crisis. It's time to raise awareness about water usage and conservation and take action to tackle the global water crisis together.

World Water Day is celebrated every year on March 22nd. Vana Vanians celebrated World Water Day on 28.3.23. The Chief Guest of the Day was Miss S. Priya, Co-Founder cum President of United Wings Club, a Social Worker.

The program started with the Invocation Song, followed by a Tamil song "Nadigalai naam potruvom"

Sung by Primary School children. Suraj.V and Sainthavi.S explained the disastrous consequences of a day without water in their speeches. Then videos highlighting the different ways of conserving water and managing water sustainability were played. Students of the middle school performed a melodious song on Water conservation. Beghan Muthuvel of class 9 A introduced the Chief Guest. The Chief Guest Miss. Priya shared some of the ways to conserve water interactively and gave away gifts to a few students as a token of appreciation.

Many competitions were held in our school for classes I to IX on World Water Day and the certificates for the same were given to the winners by the Chief Guest. The program was concluded with a vote of thanks by L. Kaviya of IX std and the National Anthem.

It's a day to educate, celebrate, reflect, and make a difference to water management in the world.

KRUU PROJECT-BASED LEARNING PLATFORM

Kruu is a project-based learning platform that helps students in high schools get future-ready. It bridges the gap between students in high schools and academia higher education and experts in corporates, and as such, is one of the first movers of its kind in India. Through the platform, some of the top minds in academics WORLDWIDE – from Harvard to Oxford, from Australia to the UK – will provide learning modules followed by projects that students across Indian schools will work on – across a wide variety of disciplines.

Students of VI-IX are invited to participate in the Kruu ‘Open Creative Challenge 2023’

For grade 9th the theme was “PUBLIC HEALTH RESPONSE PLATFORM” and for grades VI to VIII the theme was “HISTORY OF GEOGRAPHY”. The Public Health Response Platform session was briefed by Dr. Premla Webster, University of Oxford and the History of Geography session was explained by Dr. Prithvi Dutta, KREA University. These are guided Project Based Learning projects comprised of 3 milestones with Worksheets, guiding session and Activities. Our students were mentored by an eminent list of teachers in teams. In each interaction they brainstormed, enjoyed and had a fun filled learning session with their mentors. All the teams successfully submitted their projects and participated in the Completion Ceremony held online, on Wednesday, 15th February 2023. It was an enriching learning experience and an exposure to learn the real-world skills for our students.

SPOKEN ENGLISH CLASS BY BEN MAYER

Students of class VIII and IX attended the Spoken English class conducted by Ben Mayer, a postgraduate student in

IITM. The classes were conducted thrice a week for 14 days on Mondays, Thursdays, and Fridays from 9th February to 10th March 2023. Ben Mayer is a German native. He taught the students the usage of tenses in various forms. He helped the students by bringing some of his international friends and making them understand the European accents easily which is even hard for native English speakers. The students and the teacher mutually exchanged ideas related to Indian and German culture. It was totally a different method of teaching which he adopted by sharing a Power-Point presentation wherein he differentiated each and every tense and its application. He conducted quizzes every now and then and gifted them candies. The students had a different experience and they all really enjoyed the session.

ZONAL, DISTRICT, STATE, AND NATIONAL LEVEL RESULTS

FOR THE ACADEMIC YEAR 2022-2023

ATHLETICS ZONAL

Zonal athletic meet was held at Nehru Park, Chennai organized by Bethel MHSS. Our school secured over all championship in the boys' category consecutively for the 24th year. And the following students won the individual championship.

- Under-17 Girls - Insudar -XI
- Under-19 Boys - Sanjay kumar-XII
- Under-19 Girls - Lolita Anne-XII

FOOTBALL ZONAL:

- Under-19 Boys - Winners

BASKETBALL ZONAL:

- Under-14 Boys - Runners
- Under-14 Girls - Winners
- Under-17 Boys - Winners
- Under 17 Girls - Winners

HANDBALL ZONAL

DISTRICT LEVEL:

District level Handball tournament was held at St. George School; Kilpauk Garden organized by Don Bosco school Perumbur. Our school under-19 Girls' team secured a Winners position and the under-17 Girls' team secured Runner's position.

STATE LEVEL:

Our school under-19 Girls' handball team participated in the 38th State level Handball Tournament held at Namakkal district in the month of December-2022.

NATIONAL LEVEL: GYMNASTICS

K. SASIKIRAN of STD-XI participated in KHELO INDIA YOUTH GAMES 2022-2023 held at Gwalior Madhya Pradesh and also he attended the National level camp and participated in JUNIOR NATIONALS MAG/WAG for the year 2022-2023 held at George Stadium, Thiruvananthapuram, Kerala on 29th December 2022 to 2nd January 2023.

ROWING ACHIEVEMENTS OF DHANANJAYAN S

Dhananjayan S, a student of class XI B, has achieved notable accomplishments in rowing as follows:

He won a bronze medal in the Coxless Four 500m event at the 23rd Sub-Junior Nationals held at Dal Lake, Srinagar, Jammu, and Kashmir in July 2022.

He also secured 5th and 4th place in the 500m Pair and 500m Mixed Fours events respectively at the 5th Indoor Nationals held in Chandigarh in November 2022.

In December 2022, he participated in the 42nd Junior Nationals held at Hussain Sagar Lake in Hyderabad and secured the 6th position in the Coxless Four 1000m event.

Dhananjayan's remarkable performance continued at the 79th ARAE International Meet held at Madras Boat Club, Chennai, in January 2023, where he won the gold medal in the 500m Ergometer event and the silver medal in the 500m Single Scull event.

National level: Rowing

In February 2023, he participated in KHELO INDIA YOUTH GAMES 2022-2023 held at Bhopal Madhya Pradesh and also participated in National Rowing Competition held at Chandigarh. He secured Gold Medal in the Under-17 Boys Category.

K. SAMPATH KUMAR REPRESENTED THE TAMIL NĀDU HANDBALL TEAM IN THE 5TH NATIONAL MASTERS GAMES

We are proud to say our school staff K. Sampath Kumar from Physical Education Department represents the Tamil Nādu Handball team in the 5th NATIONAL MASTERS GAMES held at Varanasi, Uttar Pradesh and our Tamil Nādu team secured the Runners position.

GENERAL ASSESSMENT

Assessment is a requisite part of any education system, and it helps teachers to evaluate how well the students have learned their lessons. It is a very important tool in education.

General Assessment of classes I to IX was carried out from mid of February to the beginning of March 2023. It was one to one meticulous assessment in English, Tamil, Maths, Science and Social to judge the general standard of the students.

EXAMINATIONS

It's Exam Time!

Revision III Exam was conducted for classes from I to VIII from 15th March to 27th April 2022.

The Revision examination was conducted for class IX from 13th March to 23rd March 2023.

Revision III examination was conducted for class X from 13th March to 31st March.

Board practical examination for class X was conducted on 23rd March 2023.

Board examination scheduled by the Government of Tamil Nadu was conducted for class XI from 14th March to 5th April 2023.

The board examination scheduled by the government of Tamil Nadu was conducted for class XII from 13th March to 3rd April 2023.

ACCOLADES

D. Chudarvizhi of class VIII B participated in the National level Silambam Competition conducted in Montfort school, by Muthal Ayutham Silambattam Palli and won the second prize on 26.2.2023

Deeksha S of Class VI A participated in the Online Inter Academy Kids Chess Tournament on March 5th, 2023, and won the 1st Prize.

On 26th March 2023, Jeeva A , a staff member in our office, participated in the 5KO Pen Walkathon organized by Decathlon Sports India in Chennai

Practical Exam for class IX was conducted on 29th march 2023.

Enjoy watching video of the programmes in our School YouTube channel
