A day away from the routine of school is a different kind of experience than a break or picnic for the students. The purpose of visiting a park is to help students learn and absorb new experiences in unfamiliar and casual environments. We the class teachers of First standard, students and the parent volunteers started at 9:15 am from the school and reached the venue safely. Children were excited to watch varieties of deer, dancing white peafowl. Feeding of egrets, Flightless birds, Jackal, Reptiles- snake, varieties of parakeets. Children had small snack break. Then we continued visiting other crocodiles, tortoise, aquarium animals and birds. It was long walking. children regain their energy in the lunch. They enjoyed their play time in the park. Before leaving the park, we visited aquarium. With half heart children boarded van. We all reached school at 3.10p.m. safely. Through this trip children gain the knowledge of Fauna and Flora.
