

STD 5 - Field Trip Report

The students of standard 5 went on a field trip to The Government Museum, Egmore on 9th February, 2023. They were excited to see and learn about the different species of animals, birds, fish etc.

- The students first visited the Main building, with artifacts and sculptures from the past, the animal gallery, botany gallery and philately gallery.**
- The Front building had a very interesting puppet gallery and galleries preserving the folk art and music.**

We also visited the

- Bronze gallery – which had a collection of bronze artifacts**
- Children’s Museum fascinated all kids with its doll section, technology and science gallery.**
- National Art Gallery had some excellent paintings and pieces of artistic marvels.**
- Contemporary Art Gallery – From rock and cave art to British portrait to modern art, the children could see how art had evolved over ages.**
- The museum also houses a museum theatre, where they enjoyed a 3D show.**
- The students witnessed the various sculptures and appreciated the exquisite carvings. They were amazed to see the collection of arms and armour displayed.**

The fantastic collection of musical instruments, Jewellery and the exhibits

of the Stone and Iron ages enthralled the students.

The field trip provided an excellent opportunity to the students to know the various fields of science. They were spellbound to witness the ancient sculptures and inscriptions. They admired the carvings and well thrilled to see the things used by ancient men. The field trip provided the students with experiences

outside their classroom and gave them an opportunity to appreciate our rich past and culture. It also gave them scope to share, adjust and have fun with their classmates and teachers.
