

## DIWALI SAFETY SKIT

Diwali skit was performed by the teachers of nursery on 21st October 2022. Children are advised to burst green crackers to avoid air and noise pollution and they learnt to maintain a safe distance, wearing slippers while bursting crackers. The teachers explained to avoid bursting crackers in hand, always keep a bucket full of water at a hand's distances. Finally, the children learnt safety measures for Diwali, and they had a great time.
