

The Pongal festival is held dear particularly by the farming community as it marks the end of harvesting season. The Pongal festival in our nursery was celebrated on 13.01.2023 as a true manifestation of our rich culture and traditions. Our school was decorated with Kolam made of many dots, sugarcane, big fat pots and mango leaves. Our tiny tots spoke about Pongal, enacted a Pongal dance drama, and gave a splendid dance performance for various Pongal songs. The dances were at its vibrant best. Every moment was enriching for the kids who were able to experience typical Pongal celebrations.
