

# READING MARATHON

Vana Vani Primary has launched a Reading marathon challenge from 26th October 2022- 25th January 2023 for classes 4 and 5.

This three months after- school marathon gives a chance to all the participants to set a personal reading goal and read as much as possible. In the end, the child reading the maximum number of books will be the winner, with a prize and a certificate. After all, **"A CHILD WHO READS WILL BE AN ADULT WHO THINKS"**.
