

## A TRIP TO MAHABALIPURAM

- “Collect Memories, Not Things”

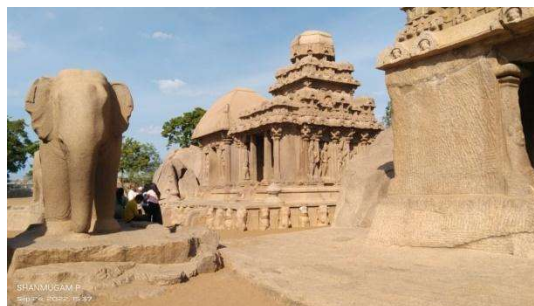

Vana Vani school teaching and non-teaching staff went on a fun-filled trip to Mahabalipuram on 24<sup>th</sup> September 2022. Seventy-two members joined this trip. This trip was hosted by our school management. Vana Vani school staff club members took the initiative to organize the trip.

The trip started from school at 6.45 AM proceeded to Tamil Nadu Tourism Resort and reached at 8.00 AM. After having

breakfast at the Resort, we spent some time on the beach nearby the resort and visited the Sculpture museum. All the sculptures bear the historic significance and images of god.

After that, we all gathered for games/activities conducted by Mr. Selvakumar (PT department) and Mrs. Padmavathy (social science department). With great enthusiasm, everyone participated and enjoyed it well. Our principal Mr. Sathish Kumar gave away the prizes to the winners.

After Having lunch in the resort, we headed to the Five Rathas ( five chariots) – five monolithic pyramidal structures named after Pandavas and Draupadi. It has been classified as a UNESCO world heritage site has a part of a group of

monuments at Mahabalipuram. An exciting aspect of Ratha's is that each of these is carved from one single large piece of stone.

At last, we went shopping and started from Mahabalipuram at 5.15 PM and reached school around 6.45 PM with great and cherishable memories.
