WORLD WATER DAY

On the occasion of World Water Day, which is observed on the 22nd of March every year, our school organized a series of competitions to raise awareness about water conservation among students from classes 1 to 9. The events aimed to educate students about the importance of water conservation and encourage them to take active steps to preserve this precious resource.

For classes 1 to 5, a poster-making competition was held on the theme of "conservation of water." Students enthusiastically participated, showcasing their creativity and understanding of the importance of water conservation. The top three winners from each class were awarded prizes to recognize their efforts and creativity in spreading the message of water conservation.

Meanwhile, students from classes 6 to 9 took part in a PowerPoint presentation competition where they presented statistical data and information on the "usage and conservation of water at their homes, on a daily basis." This competition not only encouraged students to research and gather data but also enabled them to creatively present their findings. Like the poster-making competition, the top three winners from each class were recognized and awarded for their informative presentations.

The competitions concluded on a high note, with certificates being distributed to all participants on the 3rd of April 24 during the school assembly. This gesture not only acknowledged the efforts of the participants but also served as a reminder of their commitment to water conservation.

Overall, the competitions were a resounding success, fostering a strong motivation among students to preserve and conserve the elixir of life, namely water. Such initiatives play a crucial role in instilling a sense of responsibility towards the environment and promoting sustainable practices among the future generation.

We congratulate all the winners and participants for their efforts and commitment to the cause of water conservation.

Nursery Children's Graduation Day

On April 13, 2024, the Nursery Children's Graduation Day at Vana Vani Primary Auditorium was a momentous occasion filled with joy and celebration. Commencing with the traditional lighting of the lamp by the Chief Guest, Prof. G. Arun Kumar, alongside the Principal, Vice Principal, and section heads, the ceremony symbolized the dawn of knowledge and enlightenment. A prayer song by the L.K.G children set a serene atmosphere, followed by a heartfelt welcome address from T. Lakshan dhruv of L.K.G. The introduction of Chief Guest Prof. G. Arun Kumar highlighted his distinguished career in academia, adding prestige to the event. The cultural performances, including the vibrant Rainbow Cheer Dance by LKG A and the energetic Graduation Day Action Song by UKG A, captivated the audience and showcased the talent of the young learners. The felicitation of UKG A, UKG B, and UKG C students by dignitaries, including the chief guest, was a touching moment of recognition for their hard work and achievements. Prof. G. Arun Kumar's address inspired the graduates to embark on their future journeys with courage and determination. The Vote of Thanks by P.S. Ghanya of LKG B expressed gratitude to all involved, culminating in a heartfelt congratulatory message to the graduates. The event concluded with a patriotic rendition of the National Anthem, symbolizing unity and pride. Overall, the Nursery Children's Graduation Day was a resounding success, celebrating not only academic achievements but also the growth and potential of every young learner.

National Fire Service Day

On April 14th, annually recognized as National Fire Service Day in India, the nation pays homage to the courageous firefighters who made the ultimate sacrifice in the line of duty. This day, also known as "Martyr's Day," holds special significance, commemorating the lives lost during the tragic fire and massive explosion at Mumbai dockyard on April 14, 1944. In 2024, the theme for National Fire Service Day underscores the imperative of fire safety in contributing towards nation-building. Vana Vani Matriculation Higher Secondary School played a vital role, observing National Fire Service Day on April 16th, 2024. Demonstrations, such as those led by Mr. Selvakumar from IIT Madras Security Section, and his team, showcased the practical application of fire extinguishers. Through educational initiatives targeting students, teachers, and non-teaching staff, the event emphasized the critical need to minimize losses from fire mishaps.

BIDDING ADIEU

Vana Vani bid a heartfelt farewell to three esteemed members of our teaching faculty, Mrs. Indra Raghukumar, Mrs. Sindhuja.S, and Mrs. Agasthiya, on the 30th of April, 2024. The farewell ceremony, graced by our esteemed Chairman, Professor S P Dhanavel, Principal Mr. M. Sathish Kumar, Vice Principal Mrs. Princy Tom, and the retiring teachers themselves, was a poignant moment for the entire school community.

Mrs. Indra Raghukumar was honored for her remarkable 36 years of dedicated service to Vana Vani. Her contributions to education and the positive impact she has had on countless students will always be cherished and remembered.

Mrs. Sindhuja, though with us for two and a half years, became an integral part of the Middle School. Apart from her teaching duties, she also assisted with technical issues, demonstrating her commitment to ensuring smooth operations within the school.

Mrs. Agasthiya, who filled in for Mrs. Uma and served for 2 years, played a crucial role in the efficient functioning of the Primary School. Her dedication and support were invaluable to the school community, and her presence will be missed.

The farewell speeches delivered by teachers from all sections underscored the profound impact these educators have had on the school and its students. Their departure marks the end of an era, but their legacy will endure through the lives they have touched and the knowledge they have imparted.

We all had delicious lunch on the last working day.

LAST WORKING DAY FOR THE TEACHERS

Last working day for teachers was April 30, 2024.
They will report to the school on May 31, 2024.

**REOPENING DAY FOR THE ACADEMIC YEAR
