## Unveiling the Educational Expedition to Kanyakumari and ISRO Mahendragiri

The Class 12 students of Vana Vani Matriculation Higher Secondary School embarked on an unforgettable educational journey from October 29<sup>th</sup> to November 1, 2023 to their destinations – the picturesque realms of Kanyakumari and the enlightening ISRO Mahendragiri.

**Journey Commencement:** With fervor and excitement, the students commenced their adventure from Egmore Railway Station, boarding the Kanyakumari Express. The train ride was a blend of lively activities, songs, delightful snacks, aromatic chai, and engaging conversations with their teachers until they reached Kanyakumari station at 5:10 am.

**Day 1: Kanyakumari Exploration:** Upon arrival, a brief rest at Hotel Singaar preceded an 8 am start. The hotel offered a delightful experience, notably with its scrumptious food. The day began with a visit to Suchindram Temple, where the students were enlightened about its rich history and significance. The journey continued to Vattakottai Fort, an architectural marvel from the 18th century, offering panoramic views of the tempestuous seas.

Post-lunch, the students explored the beach and Vivekananda Mandapam, followed by a visit to Kumari Amman Temple and an enthralling shopping spree under the guidance of vigilant teachers.

**Day 2: ISRO Mahendragiri Expedition:** The day commenced with an awe-inspiring sunrise observed from the hotel's 7th floor, providing a breathtaking view. Following breakfast, the students headed to ISRO around 9 am. The ISRO Propulsion Complex (IPRC) at Mahendragiri showcased various activities including engine assembly, integration, and testing for rocket programs

The students explored the museum, attended presentations, and received insightful explanations from ISRO staff. A tour around Mahendragiri hill added to their wealth of knowledge.

Post-lunch, teachers allowed time for dance and camaraderie among friends, creating unforgettable memories. The return journey commenced at 5:45 pm, concluding at Chennai by 5:45 am the next day, where excited parents eagerly welcomed their children back home.

The students express heartfelt gratitude to the school management for orchestrating this remarkable trip, ensuring their safety, and nurturing joyous experiences at every step.

## **Students' Insightful Visit to NTTF Career Guidance Workshop**

On the 5<sup>th</sup> of November '23, the students of standards 10 to 12 from our esteemed institution had the privilege of participating in a career guidance workshop held at the SKPD-NTTF Training Center. This visit was a part of the proactive efforts by the Nettur Technical Training Foundation (NTTF) to empower Tamil Nadu's youth, aligning with the visionary "Naan Mudhalvan" scheme initiated by our Honorable Chief Minister.

Notably, Vanavani students marked a significant milestone as the inaugural batch attending this enlightening workshop in the newly established branch of the training center. The workshop's primary focus was on assisting students in making informed choices about their career paths, highlighting the crucial distinction between landings in a profession by chance versus making a conscious choice.

The workshop unfolded in two distinct phases. Initially, it centered on the fundamentals of course selection, emphasizing the pivotal role of thoughtful decision-making in career pursuits. The latter segment spotlighted Robotics, Technology, and Industrial Automation. Distinguished professors elucidated the benefits and pathways for pursuing these fields, providing invaluable insights to the young minds.

One of the highlights of the visit included captivating tours of the Electronics and Mechatronics labs. NTTF training center students adeptly guided our students through various components and equipment related to these fields. These lab visits served as a catalyst, igniting a burgeoning interest among our students in electrical components and related subjects.

The workshop concluded after the stimulating lab visits, culminating in a delightful lunch graciously provided by the organizing committee for both parents and students. NTTF Training Center, recognized globally, boasts a commendable network of 60+ Industry Partnered setups and 15 core training centers, renowned for its comprehensive vocational and corporate training programs.

Undoubtedly, this insightful workshop greatly benefitted our young minds, supplementing the existing guidance and knowledge base of our faculty. It equipped them with invaluable insights to pursue their aspirations with informed choices and clarity.

The interactive sessions, lab visits, and guidance from experts at NTTF Training Center have undeniably enriched our students' understanding and enthusiasm towards potential career paths. This exposure is instrumental in guiding their future endeavors, aligning perfectly with the aims of the "Naan Mudhalvan" scheme in skilling Tamil Nadu's youth for a brighter future.

#### PRIMARY INTER-HOUSE ACTIVITY – 5

On November 18, 2023, Class V students engaged in the Inter House activity titled 'What's The Good Word?' The preliminary round involved a comprehensive questionnaire comprising twenty-five thought-provoking questions. From this, the top ten teams with the highest scores advanced to the final round.

The final round, conducted in a Quiz format utilizing a dynamic PowerPoint presentation, comprised four stimulating segments. The first round, 'Guess the Word,' prompted teams to decipher words based on clues. The second round, 'Guess the Sport and Sports Equipment,' tested their sports-related knowledge. The third round encompassed synonyms, antonyms, similes, sound identification, emotions, feelings, and person identification. The fourth round innovatively challenged participants to deduce proverbs depicted in visual form. With the ability to pass the round to the next team, each group strived diligently for the correct answer.

The event brimmed with excitement, curiosity, and fervor among the students, showcasing their dedication to securing top positions. This competition not only fostered an environment of healthy competition but also served as an excellent avenue to augment their vocabulary and literary skills.

The quiz program was a resounding success, delivering an engaging and informative experience. It not only tested the participants' knowledge but also served as a catalyst, encouraging critical thinking and fostering an environment of innovative problem-solving. Students were inspired to expand their thinking horizons, breaking conventional boundaries and exploring novel concepts.

The event's impact was profound, leaving a lasting impression on both participants and the audience. The enthusiastic response from the students demonstrated their newfound motivation and zeal for critical thinking and innovation, affirming the event's success in igniting their curiosity and nurturing their intellectual growth.

### CAREER GUIDANCE PROGRAM

The Career Guidance program held on November 24, 2023, welcomed Classes XI and XII to an enlightening session. The esteemed speakers, Mrs. Saranya and Mrs. Sathyakala from MARG Institute of Design and Architecture, Swarnabhoomi, presented an insightful exploration of various professions that specifically demand aptitude. Notably, they shed light on Architecture, distinguishing it from engineering and offering a glimpse into the realm of interior design.

The primary objective of the program was to unveil a spectrum of career options that often escape students' awareness, focusing particularly on professions that demand creativity as a core skill. Mrs. Saranya and Mrs. Sathyakala led an engaging and participatory discussion, encouraging students to delve into unconventional yet rewarding career paths. They patiently addressed students' queries, aiding them in navigating the labyrinth of career choices and selecting a fitting path aligned with their interests and abilities. The session aimed to bridge the gap between traditional technical skill-based careers and those rooted in creative expression, broadening students' perspectives and choices for their future endeavors.

### THE CONSTITUTION DAY CELEBRATION

The Constitution Day program held at our school commenced at approximately 1:10 pm, graced by the esteemed presence of our principal, Mr. M. Sathish Kumar. The event was inaugurated with a warm welcome address by V. Padmashri of class 9C, setting the tone for an enlightening and patriotic gathering.

The program commenced on a serene note with a prayer song, fostering an atmosphere of reverence and unity.

Following the prayer song, an insightful speech highlighting the life and contributions of Dr. B.R. Ambedkar was delivered by R.M. Pavithra from class 9 C. The speech provided a comprehensive overview of the visionary architect behind our nation's constitution, offering invaluable insights to all attendees.

A demonstration on the fundamental rights enshrined in our constitution was presented by the middle school students, skillfully elucidating the various rights and duties bestowed upon citizens. This interactive session served as a comprehensive educational tool, ensuring a clear understanding of our constitutional rights.

Continuing the informative series of events, D. Chudavizhi from class 9B delivered a speech focusing on the Indian constitution, shedding light on its pivotal aspects and relevance in contemporary society. The speech encapsulated essential facts, further enriching our understanding of this foundational document.

The artistic talents of our students took center stage as high school students performed a melodious and patriotic song celebrating the essence of our Indian constitution. This was followed by a vibrant dance performance by middle school students, creatively depicting the essence and spirit of our constitution through movement and expression.

The program culminated in an engaging question-and-answer session moderated by our principal. The enthusiastic participation of the students reflected their keen interest and understanding of the subject matter, making the session both informative and interactive.

As the Constitution Day celebrations drew to a close, G. Ramya from class 9 A delivered a heartfelt vote of thanks, expressing gratitude to all participants, organizers, and attendees for their contributions and active participation. The event concluded on a patriotic note, with the school song and the national anthem reverberating through the premises, symbolizing our collective commitment to upholding the principles of our constitution.

The Constitution Day program was a resounding success, providing an enriching platform for students to commemorate and delve deeper into the significance of this foundational document that shapes our nation's ethos and governance.
