NSS CAMP REPORT

September 28, 2023- October 4, 2023

The NSS volunteers from Vana Vani participated in a unique camp held from September 28, 2023, to October 4, 2023, at the NSS Girls Unit Scout Camping Centre in Triplicane, Chennai. The 7-day special camp commenced on the 28th of September with a formal inauguration, graced by the esteemed presence of Dr. A. Mohammad Sitheek, DLO Chennai District, as the guest of honor.

Mr. Neelagandan Sankar, a Senior Project Officer and Lead First Aid Trainer, took the lead in conducting the first session of the camp. This session primarily revolved around the vital subject of first aid, covering topics such as how to respond effectively in the event of an injury and the appropriate steps to take for various types of injuries. The students were also given the valuable opportunity to engage in hands-on demonstrations and re-enact the procedures discussed.

29.09.2023: On September 29, 2023, students embarked on a heartwarming visit to an old age home operated by Andhra Mahila Sabha. The day was filled with nostalgia as the students treated the elderly residents to music from the 1980s and entertaining dance performances, allowing them to relive cherished memories. Remarkably, the elderly individuals wholeheartedly embraced and actively participated in the activities without any reservations.

In the evening session, we were honored to have the presence of Dr. Prasad Manne and Mr. V. Chezhiyan, who shared valuable insights about traffic awareness. They underscored the importance of adhering to traffic regulations that we may sometimes overlook. As a token of appreciation, Dr. Manne rewarded students who answered his questions correctly with a copy of his book, 'Happy Journey.'

30.09.2023: On the 30th of September, students had the opportunity to visit the Anna Centenary Library in Kotturpuram. The library boasted an extensive collection of books spanning various fields, and students were encouraged to explore the diverse sections, broadening their knowledge and interests.

In the evening session, the focus shifted to Cancer Awareness. Mrs. P. Sivaranjani, an accomplished social worker and counselor from the Department of Preventive Oncology, served as the resource person for the day. She delved into subtopics, including the various types of cancer and the precautionary measures that can be taken to safeguard against them.

01.10.2023: The students embarked on a visit to the Vivekananda House and Lighthouse in Triplicane, a day filled with insightful experiences. In today's world, self-motivation is an indispensable quality for the current generation. In the evening session, Dr. Sampath Kumar, an expert in the field as DLO/R, delivered a session on self-motivation, providing valuable insights and guidance to the students.

Furthermore, as part of their learning and responsibility, the students were tasked with the upkeep of the campus where they were staying. This endeavor aimed to instill the habit of maintaining a clean environment from a young age, emphasizing their role in contributing to a greener planet.

02.10.2023: The day commenced with a serene morning stroll along Marina Beach, where we had the pleasure of witnessing a breathtaking sunrise. This tranquil experience was complemented by a rejuvenating yoga session. Mr. T.K. Nanthakumar, an expert in yoga with an MSc in the field and the founder of the Kalphasutra Yoga Academy, guided us through a series of exercises that we could incorporate into our daily routines.

03.10.2023: The concluding event of the camp involved engaging with students from the CSI Deaf and Dumb School. They participated in games like Pictionary, showcasing their remarkable artistic talents. This experience served as a powerful reminder that every individual shines in their distinct and exceptional manner, and there's no need to conform to someone else's path.

04.10.2023: On the 4th of October, the special camp reached its conclusion with a valedictory function. This camp proved to be a holistic package of unforeseen and eye-opening experiences. The students displayed remarkable courage by stepping out of their comfort zones and giving their best in various activities and services throughout the camp.

October 5, 2023 KHADI RALLY

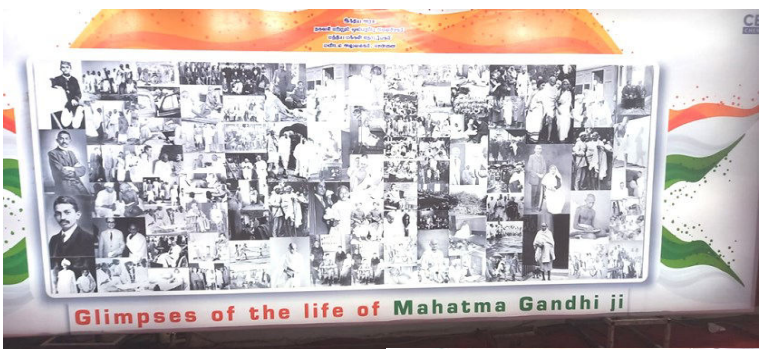

Class 7 students were given the opportunity to visit a Khadi exhibition with the aim of raising awareness among young individuals about the significance of Khadi. Additionally, a Khadi Yatra took place on October 5, 2023, within the school premises. During this event, Khadi products were showcased, and students were encouraged to purchase at least one Khadi outfit for the upcoming Diwali celebration. Furthermore, they were provided with a demonstration of the traditional process of spinning yarn into thread, helping the children gain a deeper understanding of Khadi production techniques.

A VISIT TO RAJ BHAVAN

On October 5th, the students from the 10th grade were taken to Raj Bhavan for a photo exhibition about Mahatma Gandhi. We headed to Raj Bhavan around 3:00 p.m. There was an introduction to Gandhiji in a note and photos of Gandhi's childhood memories. There was a frame of pictures that depicted the journey of Gandhiji's life. The students were able to view the original pictures of protests led by Gandhiji for India's freedom and they also showcased pictures of Tamil freedom fighters. The children were served tea and biscuits. They explored Raj Bhavan. The children were brought back to school around 5:00 p.m. The visit to the photo exhibition was an opportunity for the children to gain a better understanding of Mahatma Gandhi's life journey in the freedom struggle of India.

WORLD TEACHERS' DAY VIRTUAL WEBINAR

On October 7, 2023, our school organized a virtual webinar to celebrate World Teachers' Day, which is traditionally observed on October 5th. The event served as a platform to honor and acknowledge the vital role that educators play in shaping our future. Teachers from 18 different schools participated in this insightful and engaging online gathering.

The highlight of the webinar was the presence of our esteemed guest speaker, Professor Edamana Prasad, who delivered an inspiring and thought-provoking address.

Professor Prasad emphasized the changing role of teachers in the 21st century, emphasizing the importance of adaptability and technological literacy. He also provided valuable insights into strategies for nurturing creativity in students. He stressed the creation of a supportive learning environment that fosters curiosity, critical thinking, and problem-solving skills.

The event was not merely a one-way lecture; it was designed to be interactive and engaging. After Professor Prasad's presentation, an interactive Question & Answer session took place. Teachers from various schools had the opportunity to ask questions, seek clarification, and share their thoughts on the evolving landscape of education.

This World Teachers' Day webinar was a successful and meaningful celebration, uniting educators from different schools to reflect on the ever-evolving nature of teaching and the essential role teachers play in shaping the future. It provided a platform for knowledge sharing and discussion on the challenges and opportunities in the education sector in the 21st century.

AYUDHA PUJA CELEBRATION

Ayudha Puja is the day we honor and express gratitude for all the instruments that add meaning to our life.

Vana Vani Matriculation Higher Secondary School celebrated Ayudha Puja with great fervour on 23rd October 2023 in the school office. Our Chairman, Professor S. P. Dhanavel, principal, teachers, and nonteaching staff came together to worship Saraswati, the Goddess of Knowledge, Art, and Music. The school office was beautifully decorated with mavailai thoranam, traditionally made using marigolds and mango leaves. A lamp was lit in front of Saraswati, the Goddess of Learning. A beautiful rendition by Pundit transcended the ambiance. The fragrance of flowers and the aroma of the burning camphor in lamps filled the entire place with peace and positivity. We received 'Prasada' in the end. Gaiety and piety went hand in hand and left an indelible impression in our minds.

A CONFERENCE ON THE THEME OF INCLUSIVE DEVELOPMENT AND SOCIAL EQUITY.

At the Central Library, IIT Madras, on the 28th and 29th of October 2023, an event known as the Ignited Minds Conference (IgMiCo) was held. This two-day conference was organized by IVil (IIT for Villages) and brought together 11 students from various schools.

On the first day of the conference, attendees engaged in presentations and speaker sessions that revolved around the themes of equality and equity. They explored the impact of inequity on individuals, delved into discussions about caste systems, and examined gentrification—a process in which a poorer urban area undergoes transformation due to the influx of wealthier residents, leading to improved housing and new businesses while often displacing current inhabitants. The day's activities also included discussions on the advantages and disadvantages of gentrification. A break for lunch was provided at the IIT mess, and the day continued with several rounds of quiz competitions.

The second day of the conference was equally engaging. It began with a quiz and a case study competition, where participants were tasked with creating case studies along with proposed solutions to specific problems.

One of the highlights of the day was a session with R. Elango, a close associate of the late Dr. Abdul Kalam. Elango's impressive track record involved transforming multiple villages into models of equity and efficient financial systems, setting a benchmark for other panchayats to follow.

Following lunch, a spirited debate took place where participants discussed the Chennai-Salem 8 Way Expressway, presenting arguments both in favor and against the project. The conference concluded with a prize distribution ceremony to acknowledge and reward the best performances during the two-day event.

Overall, the IgMiCo conference at IIT Madras's Central Library was a thought-provoking and educational experience, bringing together students from different schools to explore vital topics related to equality, equity, and societal change.

FIELD TRIP TO FARM GURU

The students of class-X began on their field trip to Farm Guru on 27th of September, around 7 a.m. In about an hour and a half, they reached the spot and witnessed a breath-taking view of the lush green, shimmering in the sunlight. After a healthy breakfast provided by them and a briefing about the day, it was time for our “one day-farmers” to get into the 'field'.

Beaming with excitement they were all geared up for ploughing with bullocks, transplanting paddy and hand pounding, a traditional milling process. They were given a short break with organic refreshments and then came the thrilling bumpy rides on tractors & bullock carts. Later they were provided with a sumptuous and delicious lunch served with love and affection. This was followed by an interactive session which was very motivating and informative. Appreciation certificates were also distributed to the 66 participants.

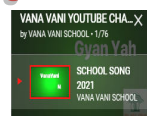

Later the students could spend some time under a mini 'water-fall' in the lap of nature. After a quick change of clothes they were engaged in the next activity that was fishing.

Students felt refreshed in the evening after having organic juice and snacks.

They started their journey home around 4 p.m. and reached school by 6.15 p.m. By the end of the fun-filled and memorable trip, students learnt the role of a farmer in the modern world.
