

*“GIVE BLOOD, GIVE LIFE”*

**INTERACT CLUB OF  
VANA VANI MHSS:  
“BLOOD DONATION CAMP”**

**DATE :10-06-2023**

# ABSTRACT

Blood donation camps are an essential part of society as they provide a means for individuals to donate blood and save lives. These camps are organized regularly to meet the growing demand for blood in medical emergencies. Blood donation is a selfless act that can save many lives. It is a voluntary process that involves giving blood to those who need it the most. This report is given based on the blood donation camp held on 10<sup>th</sup> June 2023 at the campus of Vana Vani MHSS organized by the Interact club of the school. This was organized by the club members.

# BLOOD DONATION CAMP

Interact Clubs are an important branch of the greater Rotary youth programs that invite students between ages 12 and 18 to get important chances to develop leadership

skills while also focusing on the Rotary credo of “Service-Above-Self.”

On 10<sup>th</sup> June 2023, a blood donation camp was organized by the interact club of Vana Vani MHSS members in view of helping patients suffering from Thalassemia. It was conducted at the primary block of the school campus. The camp began at 9am as the first donor donated for this cause. The camp was concluded at 1.30pm. The total number of people who donated blood were 64. The helping staff of 9 members were from the “Voluntary Health Services”(VHS), who were helpful in carrying on the blood donation camp efficiently.

The Interact student volunteers made various contributions such as making enticing posters and charts with powerful quotes reflecting the cause behind this blood donation camp. They coordinated this camp effectively by making the necessary arrangements that were required.

We would like to thank the parents, the teachers, the non teaching staff, the alumni and all those who bravely contributed to this blood donation camp and making it a success. We would like to especially thank the teacher co-ordinators of the Interact club Mrs. Sathya & Mrs. Vijaya Abhirami who made this whole event a success and for giving us this wonderful opportunity.
