The primary section conducted the Inter-house activities for the students of Std 3 on **7ᵗʰ October 2023** and for Std 1 and Std 2 on **13ᵗʰ October 2023.**

On October 7th, 2023, Class 3 students showed their enthusiasm by participating in the 'Tongue Twister' competition. The students found the challenge to be both interesting and fun. The students' repeated attempts to speak different tongue twisters was a great delight. This competition cleverly aided in improving their speaking skills, pronunciation, and fluency.

Class 1 students participated in a fun-filled activity to make scarecrows on October 13th, 2023. Students brought their own natural materials such as straw, hats, and old clothes and made the best scarecrows with creative designs. Their scarecrows were a blend of tradition and imagination. The scarecrow competition was a fantastic way for them to exercise their minds and improve their fine motor skills.
