PLEASE REMEMBER:

- ★ Whenever many individuals live together, discipline is necessary and this is especially true of an institution for the education of youth. This discipline is formative, not repressive. It leads the student to develop self control which is essence of a well-ordered and successful life.
- ★ Therefore Vana Vani requires its students to conform to the rules and regulations mentioned below in various aspects for the benefit of the entire school community as well as the individual student.
- ★ We also solicit the co-operation of parents in this regard.
