

## **Report on Students' Day Celebration (Middle School)**

On October 18, 2024, Vana Vani Matriculation Higher Secondary School celebrated Students' Day, honoring the life and legacy of Dr. A.P.J. Abdul Kalam. The event was initially scheduled for October 15 but was postponed due to rain.

The program began with several students delivering inspiring speeches, each reflecting on Dr. Kalam's contributions and his belief in the power of youth. They discussed his role as a role model, the significance of dreaming big, and the responsibility of students to lead the way in building a better India.

Following the speeches, students presented a short drama titled "A Journey Through Time – A Meeting with Dr. Abdul Kalam." In this engaging performance, they depicted a time-travel scenario where they brought Dr. Kalam back to inspire their peers about the importance of planting trees and caring for the environment.

The celebration concluded with a collective pledge by the students to honor Dr. Kalam's vision by committing to environmental conservation and actively contributing to society. The event successfully inspired students to embrace their roles as future leaders and change-makers.
