On 8th November, 2025, students from Grades 2 and 3 enthusiastically participated in an engaging Inter-House Competition.

Grade 2 students demonstrated sharp memory and team spirit in the **"Memory Master Mind"** competition, which aimed to enhance their concentration, observation, and recall skills.

The competition tested the young participants through a series of fun and challenging activities, such as identifying missing objects, recalling picture sequences, and playing visual memory games. Each round encouraged alertness and quick thinking, making the event both educational and entertaining.

The atmosphere was lively and filled with excitement as the children eagerly recalled details and answered confidently.

The **Memory Master Mind Competition** successfully helped students strengthen their memory power while enjoying a healthy spirit of competition and teamwork.

At the same time, Grade 3 students showcased their creativity in the **"Greeting Card Making"** competition, representing their respective houses with great enthusiasm. They used a variety of materials to design beautiful and meaningful greeting cards on the theme "Father's Day" or "Mother's Day."

The participants displayed impressive creativity and originality in both their designs and messages.
