

PRIMARY INTER-HOUSE ACTIVITIES – June 2025(ACTIVITY-1)

On June 21st, 2025, students from Grades 4 and 5 across all houses actively participated in an exciting Inter-House Competition.

Grade 4 students showcased their enthusiasm through the **"Rangoli Fest"**, themed around *Geometrical Designs*. Participants displayed remarkable creativity by using natural Rangoli materials, transforming mathematical shapes into beautiful art. The event encouraged cultural appreciation and teamwork, while reinforcing the significance of geometry in everyday life.

Simultaneously, the **"Ad Mad Show"** brought out the imagination and humour of our Grade 5 students. Representing their respective houses, students advertised a range of imaginative products, including a magic pen, an invisibility spray, a laughing water bottle, a talking school bag, and a multiplying lunch box. Their vibrant performances reflected confidence, creativity, and excellent stage presence. The competition not only highlighted their acting and communication skills but also inspired out-of-the-box thinking and a sense of fun.

The winners are as follows.

Rangoli -" Geometrical Designs" - Group Event -IV STD			
WINNERS	NAMES	CLASS/SEC	HOUSE
