

PRIMARY INTER-HOUSE ACTIVITIES – July 2026(ACTIVITY-2)

On 8th July 2026, the Grade III students enthusiastically participated in the "Eye Magic – Creative Drawing Competition", an inter-house solo event conducted during school hours.

Each participant was provided with a sheet containing two eyes as a creative clue. Using only the given eyes, students transformed their ideas into colourful and imaginative drawings. With crayons, coloured pencils, and sketch pens, they created a wide variety of unique artworks that reflected their creativity, originality, and artistic skills.

The competition encouraged students to think beyond the obvious, develop their imagination, and express their ideas confidently through art. Every participant displayed remarkable enthusiasm, focus, and creativity, making the event a delightful celebration of young talent.
