

Middle School Inter-House Activity - 3 Report

On October 25, 2025, our middle school hosted the 3rd Inter-House Activity, which saw enthusiastic participation from students across different standards. Students of Class 6, through their painting skills, showcased their artistic talents, bringing festivals to life with vibrant colors and creativity.

Students of Class 7, working in teams, created stunning collages paying tribute to Dr. A.P.J. Abdul Kalam, highlighting his remarkable contributions to India's missile program.

Class 8 students demonstrated their advertising prowess, crafting innovative and engaging ads that showcased their creativity and effective communication skills.

The activity promoted a sense of healthy competition, creativity, and teamwork among students, making it an enjoyable and enriching experience for all.
