

## PRIMARY INTER-HOUSE ACTIVITY – 4

The class 4 students participated in designing in **“MS paint competition”** which was conducted on **28<sup>th</sup> October 2023** at Primary computer lab. Two topics were given on the spot, **“The Nature’s gift”** and **“The fantasy World”**. Students presented wonderful drawings with colourful interpretation of the topic. This competition was instrumental in enhancing student’s creativity, speeding up their learning process and developing their computer skills. It also helped students to improve their eye-hand coordination, sharpen their multiple intelligences and build on their literacy skills. It was a remarkable show of talent and creativity. The judge was highly impressed with the drawings of the students.

The winners are as follows:
