

Report on International Literacy Day Celebration

On September 6th, 2024, Vana Vani Matriculation Higher Secondary School celebrated International Literacy Day with enthusiasm. The event highlighted the importance of literacy in shaping lives and building a better future. The program began with a warm welcome and included a speech on literacy's significance, followed by a presentation of interesting facts about literacy.

An engaging quiz session kept the students attentive, and a melodious performance by the middle school choir added to the excitement. The event also featured the prize distribution for the Best Reader competition, with the top three students being recognized for their achievements.

The program concluded with a vote of thanks, leaving everyone motivated to continue their pursuit of literacy. The day was a great success, promoting the value of education and reading among students.
