

Krishna Jayanthi Celebration

In celebration of Krishan Jayanti, on 23.08.24 by our Nursery, students performed an enchanting array of activities. The tiny tots, dressed as Radha and Krishna, captivated the audience with their heartfelt speeches, melodious songs, and vibrant dances.

The Vice Principal graced us as the special guest, engaging warmly with the children and discussing the importance of learning about various religious festivals of India. The event was a grand success, with parents in attendance beaming with pride and joy.
