

## **GOOD HABITS, GOOD MANNERS, AND CLEANLINESS NURSERY ACTIVITY 2023.**

Teaching good habits and good manners to children is important so that they can create a good impression on others. A child with good impression, etiquette and mannerism will grow up to become a confident and respectable adult with strong social and communication skills. Having good manners also allows a child to get along well with other children, which is essential for his future success.

On the 27th of July, a month end activity on the topic 'Good Habits, Good Manners and Cleanliness' was held at Nursery. The activity provided awareness among the kids on how to be healthy, hygienic and also gave an insight to develop good habits and good manners. Children from all the classes in Nursery participated with lot of enthusiasm to perform on stage. They sang songs and danced emphasizing the value of the five magical words 'Please, Thank you, Sorry, Excuse me and Welcome. The children also spoke about Good Habits with beautiful placards. They also enacted a short skit emphasizing 'Good Manners'.

The activity provided them a wonderful opportunity to learn and enjoy at the same time.
