

Parent-Teacher Meeting Report – Classes IV & V

Date: 6 June 2026

The first Parent-Teacher Meeting (PTM) for Classes IV and V was held on 6 June 2026. The meeting commenced with a comprehensive presentation on academics, highlighting the curriculum, learning objectives, assessment patterns, and expectations for the academic year. This was followed by important guidelines for students and parents, along with detailed information about the various co-curricular and enrichment activities planned for the year.

The session was presented by the Section Head, Mrs. J. S. Vijayalakshmi, who provided valuable insights into the academic and developmental programmes of the school. The proceedings were subsequently taken over by the Principal-in-Charge, who addressed the gathering and emphasized the importance of collaboration between parents and the school in ensuring the holistic growth of every child.

At the conclusion of the general session, parents had the opportunity to interact individually with the class teachers. These one-on-one discussions enabled parents to clarify concerns, and exchange suggestions for the student's academic and personal development.

The PTM witnessed enthusiastic participation from parents and served as an effective platform for strengthening communication and partnership between home and school. The meeting concluded on a positive note, reinforcing the shared commitment of parents and educators towards the success and well-being of the students.
