

Nursery PTM

The PTM of Nursery School was held on 24th June 2023 at the primary school auditorium. Our nursery teachers briefed the parents about the Do's and Don'ts with the help of the PPT. We had three guest speakers from Buddhi Clinic. Ms. Pavithra – Clinical psychologist, Dr Yuvaraj – Physiotherapist, Dr Vishnupriya –Naturopath.

Dr Yuvaraj spoke to parents about developmental milestones. Ways to encourage a child's development. He interacted with parents by making them do simple relaxing exercises.

Dr Vishnupriya spoke about the importance of nutritious food for children. She explained about age-appropriate meals and snacks for children.

Ms. Pavithra spoke about physical health and emotional health. How to recognize problem behaviors and neurodevelopmental issues.

Parents were very happy to get so much information about dealing with children. They were very thankful and appreciated the Buddhi clinic team

Nursery Bakrid celebrations 2023.

Bakrid, which emphasizes on unconditional love and faith towards God, was celebrated in nursery on 28th June. An outline of the festival's significance was explained to the kids. Followed by which, a few kids spoke about Bakrid celebration and few of them enacted the way the " Namaz" would be done. Children embraced each other wishing Eid – Mubarak.
