

Workshop with Retired HM from VCHSS Mr. Panchanathan – June 6th, 2024

Mr. Panchanathan's workshop for teachers, held on June 6th at our school auditorium, offered valuable lessons in cultural education, environmental responsibility, and storytelling techniques. He taught the traditional Indian greeting "Vanakkam," encouraged environmental awareness, and shared stories illustrating patience, knowledge, helping others, self-advocacy, and effective communication. Additionally, he discussed the Law of Attraction and Nature and inspired confidence and self-respect. The workshop provided practical strategies for teachers to enhance their teaching methods. We recommend regular sessions to reinforce these teachings. The workshop ended with great success, receiving resounding applause, grateful smiles, and a renewed sense of purpose from the teachers. They departed the auditorium feeling enriched, energized, and eager to apply their newfound knowledge and skills in their classrooms.
