

Workshop Report

12th & 13th February 2026

A two-day workshop on Multi-Grade Multi-Level (MGML) methodology and contemporary educational practices was held on 12th and 13th February 2026 at Mahatma Hall (HSB 356), Humanities and Sciences Block, inside the IIT Madras campus. Mrs. V Indumathi (Primary School), Ms. Nivithaa Shri V (Middle School), and Mrs. Kumud Mishra (High School) attended the workshop on behalf of the school.

The sessions covered key themes such as Learning with Ladders of Learning, mixed-age classrooms, cooperative learning, MGML in the age of AI, art education from a global perspective, MGML in public school systems, exam-oriented education, and global citizenship education.

The workshop offered valuable insights into differentiated instruction, collaborative learning, and holistic development. The final session on socio-emotional skills with Ladders of Learning was especially engaging and interactive, providing practical understanding of the importance of emotional well-being in education.

Overall, the workshop was informative and professionally enriching, and the strategies discussed will support effective classroom implementation.
